Classic Dispense

est. 2002

“We are truly passionate about what we do.”

It's the detail that counts

Welcome to Classic Dispense.

Our team here in the West Midlands have been designing and developing high quality drinks dispense equipment since 2002.

We offer an extensive variety of single and multiple units that can be applied into different finishes to suit any backdrop. We are always investing into creative designs and concepts to enhance our portfolio.

In addition to our standard products, our in-house design team has the ability to construct and adapt bespoke solutions to bring your creative ideas to life.

Our team strives to engage, create and produce unique ideas and designs to bring to market.

Single Units

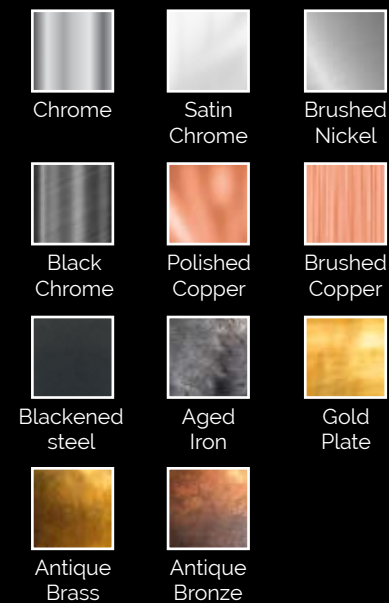

All of our Single products displayed can be applied into different finishes to make your brand stand out from the crowd.

No minimum or maximum order quantity.

Multiple Units

The multiple units are really effective as they take up a larger footprint on the bar, which brings a great presence to the products being displayed. All units can be applied into different finishes to suit any backdrop.

When ^{the} off shelf just won't do

Our design team is made up of CAD specialists, Wood carvers and Pattern makers with substantial manufacturing knowledge. With our own workshop on site, the lead time from concept to sample is minimum. You are in good hands.

Our mission is to provide an unrivalled service. We are committed to every project, not only to ensure 100% customer satisfaction, but simply because we are passionate about what we do. We love bringing your imaginative ideas to life.

Do you have a design in mind to take to market? We can make it happen!

BE
CREATIVE

Handmade with **passion** and **skill**

“They have worked with Heineken on the most architectural challenging column design (for the Strongbow Dual Column), where they sought engineering solutions to the design concepts to make it a reality and executed manufacture superbly. A real testimony to their ‘can-do’ attitude.”

Stuart Briant – Heineken UK.
